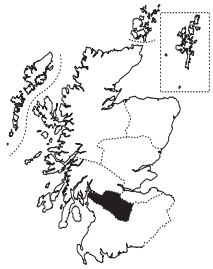
CAR TOURING IN SCOTLAND

GREATER GLASGOW AND CLYDE VALLEY



Vibrant and energetic, Glasgow is renowned for its hospitality and warmth. With a unique cultural and industrial heritage, Glasgow was formerly crowned both the European City of Culture and the UK's City of Architecture and Design. The city has become famous for the Art Nouveau 'Glasgow Style', most notably for the work of architect and designer Charles Rennie Mackintosh. The famous River Clyde has breathed life and inspiration into the area with a strong history of shipbuilding. The rolling hills of the Clyde Valley and the beautiful walking country of East Dunbartonshire are further reasons to visit this area of Scotland.

Things to See and Do
